

### What is a stock donation?

A donation of publicly traded securities (like stocks, bonds, or mutual funds) directly to a nonprofit.

---

### Why donate stock instead of cash?

Donating stock can provide greater tax benefits than making a gift through other methods.

---

### How do I donate stock to A Fresh Chapter?

A Fresh Chapter accepts stock donations through our fiscal sponsor, Social and Environmental Entrepreneurs (SEE). Contact us, and we'll provide the brokerage and transfer instructions you need to complete your gift.

### What info you'll need to provide:

- Your name and contact information
  - Name of the stock(s) and number of shares
  - Approximate date of transfer
  - Estimated value of the gift
- 

### Tax-deductible info:

Stock donations are tax-deductible to the extent allowed by law. Contact your tax advisor for details.
